The fire that swallowed Mistress wasn't searing hot but warm

She thought that she may have died

She thought that her dad and was going to the Heavens.

It was the moment that she realized she was neither dreaming nor dead.

"Huh...?"

Pause

. . . .

I AM GOING TO EAT YOU ALIVE.

Why...

WE... THE LIKE OF US HAVE A GATHERING EVERY 10 YEARS...

WHY AM I EVEN EXPLAINING THIS TO THIS GIRL...

AND WE CONSUME A CHOSEN VIRGIN FOR LONGEVITY.

Let me go now.

No wait! I begging. It sounded more like she was commanding

Yuji-in liked her awaken glare.

I'll show you nothing is candid..!!

NO CAN DO.

You will deeply regret if you don't let me go now.

Pause

. . . .

He paused for a moment as if he was going to say something

However

Bang!

January 16th

AKA the Ghost day

Thick clouds around high mountains made it look as if there were lands in emptiness.

Humans would look up at the clouds and say

It looks like the Gods are descending today.

Let's go home quickly. We don't want them to catch us.

And they would quickly go home where it's warm and safe.

CHUG

CHUG

CHUG

RUSTLE...

RUSTLE...

Myo-jin and Maleman were passing through these sea of clouds and were heading to the God's mountain.

They walked and walked.

Eventually, a normally invisible mountain crept in real.

It was the God's mountain

HO-

LOOK WHO IS HERE.

IS THAT THE VIRGIN?

YES.

And Myo-jin walked inside, leaving the carriage, and Maleman in it, to the doormen.

He never looked back.

Time passed and when it was about to be midnight

Gods from Joseon (Korea) would walk inside of a holy tree one after another.

LOOK, WHO IS HERE
YOU DIDN'T GET OLD AT ALL.
AND YOU SOUND PHILOSOPHICS.
I'M SO GLAD TO TAKE A LOOK AT YOU OR SOMETHING.
I'M SO GLAD TO TAKE A LOOK AT YOU OR SOMETHING.
AND YOU SOUND PHILOSOPHICS.
YOU DIDN'T GET OLD AT ALL.
LOOK, WHO IS HERE
HMM...
IS THAT THE USUAL?
SHE DOESN'T LOOK EVEN 1 TELL YOU

Forever.
